

ACADEMY OF OUR LADY OF MERCY  
**Lauralton Hall**

2007-2008 ANNUAL GIFT REPORT

*A Message from Jeffrey R. Dunne,  
Chair of the Board of Trustees*

Dear Friends,

Every day Lauralton Hall students travel many miles in order to receive an outstanding college-preparatory education rooted in the Mercy tradition. Upon arrival, their journey of discovery begins, literally, with a single step through the doors of Mercy Hall.

Over the course of four years here, these young women develop independence, confidence and a sense of self-worth. They are given opportunities for leadership and for realizing their full potential. They are motivated to take new challenges, both academically and personally.

Such transformations are made possible because of donors who magnanimously share their time and treasure with Lauralton Hall. Their generosity helps make the school's mission a reality for more than 440 young women each year. Therefore, it gives me great pleasure to present this 2007-2008 Annual Report for Lauralton Hall.

With 1,120 donor names listed in the Annual Report, Lauralton Hall is blessed to have a community of deeply committed supporters whose investment pays extraordinary academic and societal dividends throughout a young girl's lifetime. Whether they are found in the classroom, the library, the fine arts studio, on the athletic field, or at a volunteer service organization, Lauralton students and alumnae exemplify Mercy values as they make a difference in the lives of those around them.

Tuition alone does not cover the full cost of a Lauralton Hall education; philanthropy must bridge the gap. Over the past year, gifts from the donors listed in the 2007-2008 Annual Report have helped to enrich academic life, enhance student activities, upgrade technology resources, and increase financial aid and scholarship support.

Every gift is important. Thank you for your belief in Lauralton Hall's mission, and in these confident, competent and compassionate students who are changing the world.

We are sincerely grateful for your generosity.

With heartfelt appreciation,

Jeffrey R. Dunne  
Chair, Board of Trustees
