**Senior Privileges**

Lauralton Hall acknowledges that seniors should be allowed to test their responsibility and discipline and begin to manage the open campus environment they will experience in college. With parental permission seniors will be awarded the following privileges:

- Seniors who are unassigned at the beginning of the day must arrive at school in time to report to their first scheduled class or scheduled obligation. Students must sign in at the Attendance Office as soon as they arrive at school.
- Seniors who have no further classes or scheduled obligations may leave school after completing their last scheduled class.
- Seniors who are free due to a teacher's absence at the end of their scheduled day may leave school. It is the student's responsibility to get all assignments.

**Junior Privilege**

As upperclassmen, juniors are expected to take on leadership roles in the school and demonstrate higher levels of responsibility. With this increased responsibility comes increased privilege. Therefore, with parental permission, juniors who do not have a class scheduled during the last (4<sup>th</sup>) period of the day may leave school after third period. Juniors must sign out in the Main Office before leaving the campus.

**Permission**

*I acknowledge that I am the parent of the student named above, have read and understand Lauralton Hall's senior/junior privilege policy and give my daughter permission to leave school under the circumstances described above. I understand senior/junior privileges may be rescinded at any time at the discretion of the Administration.*
