

A Summer @ Lauralton PROGRAM

Our Co-Ed summer enrichment programs allow campers in Kindergarten through Freshman year of High School the opportunity to foster their interests and talents while stimulating their minds and exercising their bodies. Customize your child's summer to best meet their needs and interests.

Kindergarten – First Grade

Animal Planet

Allow your camper the opportunity to explore our world and the animals we share it with! Through activities, crafts, games, and stories, campers will learn about different environments and the animals that inhabit them! Campers will go home with an original informational book on animals, along with a variety of crafts.

Session 3: July 9th - 13th	9 - 1 pm
Session 5: July 23rd - 27th	1 - 4 pm

Bug's Life

Is your camper fascinated with bugs? Allow them a week to learn more about the creepy crawly creatures we share our environments with! Your child will hunt around the Lauralton campus to identify and record their findings! Each day, arts and crafts projects will reflect the bugs studied, and allow campers the opportunity to express themselves creatively. Campers will participate in activities, learn songs, read stories and learn songs about different bugs daily.

Session 3: July 9th - 13th	1 - 4 pm
Session 5: July 23rd - 27th	9 - 1 pm

Construction Kids!

This POPULAR course is designed for the child who loves to build. This week gives campers the opportunity to use their imaginations while working with a variety of materials: cans, cardboard, clay and so much more! From Angry Bird Sets to catapults, this camp is guaranteed fun! Campers will work on individual projects and also join a crew of fellow campers to create group masterpieces.

Session 1: June 25th - 29th	1 - 4 pm
Session 4: July 16th - 20th	9 - 1 pm

Junior Paleontologists

Allow your camper to explore the fascinating world of Dinosaurs in this NEW course. Campers will participate in a variety of games and activities to learn more about these extinct creatures. Counselors will prepare books and thematic lessons each day to allow your camper to express their creativity while learning!

Session 2: July 2nd - 6th	9 - 1 pm
<i>(No Camp on the Fourth Of July)</i>	
Session 6: July 30th - August 3rd	1 - 4 pm

Junior Scientists

Give your camper the opportunity to learn about science through our interactive and hands on science activities! Campers will explore buoyancy, static electricity and much more through a variety of activities and challenges! Campers will be learning thematically about the practical world of science, allowing them to stimulate their curiosity and interest.

Session 4: July 16th - 20th	1 - 4 pm
Session 7: July 23rd - 27th	9 - 1 pm

Lauralton Spirit Squad

Under the guidance and supervision of our head instructor and the Lauralton Hall Cheerleaders, your camper will learn the proper techniques for cheering, including basic tumbling and team building. Let your camper have some fun and learn new cheers with members of the Lauralton Hall Cheerleading team! Camp will end with a Friday performance of your child's new skills and confidence!

Session 4: July 16th - 20th	9 - 1 pm
Session 6: July 30th - August 3rd	1 - 4 pm

Under the Sea

The ocean is an exciting place full of secrets. Through this week long session, campers will learn about the ocean, its plants and animals, through activities, crafts, games and stories. Campers will learn about how to protect the ocean and will bring home an original book, along with a variety of crafts.

Session 6: July 30th - August 3rd	9 - 1 pm
--	-----------------

Second- Fourth Graders

Art-tastic!

Back by popular demand, this course will allow your camper to work on a variety of projects over the course of the week. Campers will be provided the opportunity to express themselves through chalk, pastels, sculptures, watercolor and more!

Session 3: July 9th - 13th	9 - 1 pm
-----------------------------------	-----------------

Clay Creations

This popular course allows students to get dirty and be creative! Working with model magic, and other forms of clay, campers will be challenged to test their creative abilities to create a variety of projects!

Session 6: July 30th - August 3rd	9 - 1 pm
--	-----------------

Coding for Kids

In this NEW course, campers will be given a head start on these sought-after skills. Campers will program using block coding and will be able to create design character movements with mini applications for a week of interactive fun!

Session 5: July 23rd - 27th	9 - 1 pm
------------------------------------	-----------------

Creative Chemistry

In this popular course, campers are encouraged to get messy while having fun exploring the world of science. Throughout the week, campers will make their own playdough, learn how different materials react to each other and so much more! This hands-on course will give campers a practical look into the field of chemistry.

Session 4: July 16th - 20th	1 - 4 pm
Session 6: July 30th - August 3rd	9 - 1 pm

Our camp is unique because it allows you the flexibility of customizing your child's summer experience based on their interests while having fun in a safe environment.

lauraltonhall.org/summer

Crusader's Cheerleaders

Under the guidance and supervision of our head instructor and the Lauralton Hall Cheerleaders, your camper will learn the proper techniques for cheering, including basic tumbling and team building. Let your camper have some fun and learn new cheers with members of the Lauralton Hall Cheerleading team! Camp will end with a Friday performance of your child's new skills and confidence!

Session 4: July 16th - 20th 9 - 1 pm

Session 6: July 30th - August 3rd 1 - 4 pm

Cupcake Creators

Through this POPULAR course, your little baker will learn a variety of cupcake recipes including homemade frosting. Campers will learn the importance of measurements and kitchen safety. Your baker will come home with a variety of cupcakes and frosting concoctions daily! At the end of the week, each camper will go home with a copy of the recipes along with a handmade cupcake tower.

Session 2: July 2nd - 6th 1 - 4 pm

(No Camp on the Fourth Of July)

Session 6: July 30th - August 3rd 9 - 1 pm

Escape the Room!

In this exciting program, campers will participate in live action team based games where they discover clues, solve puzzles and accomplish tasks in one or more rooms to accomplish a specific goal! This program is guaranteed fun and will help foster your camper's creativity, problem solving skills, and communication skills! Campers will attempt to "escape" puzzles daily and will even create their own for their families to try to escape at the end of the week!

Session 2: July 2nd - 6th 9 - 1 pm

(No Camp on the Fourth Of July)

Session 5: July 23rd - 27th 9 - 1 pm

Hot off the Press!

This course allows your camper to become engaged in the writing process. Campers will learn some of the techniques involved with journalism and work throughout the week to create their own newspaper to share with you!

Session 1: June 25th - 29th 9 - 1 pm

Innovation Station

Through this inquiry based class, campers will get the opportunity to create solutions and test them in daily engineering challenges in our Innovation Lab! Through individual and group challenges, campers will strengthen their problem solving skills by building bridges, saving pets from burning buildings, and creating marble coasters, just to name a few of the great activities of the week.

Session 6: July 30th - August 3rd 1 - 4 pm

Session 7: August 6th - 10th 9 - 1 pm

International Junior Chef

Your mini chef will be exposed to recipes from around the world. Campers will learn about different cultures and recipes from a variety of locations. Each day, campers will go home each day with their homemade treats. At the end of the week, campers will receive electronic recipes along with a personalized item for the kitchen.

Session 3: July 9th - 13th 1 - 4 pm

Session 7: August 6th - 10th 1 - 4 pm

Junior CSI

In this camp favorite, your child will be summoned to various staged crime scenes where they will work on collecting evidence in the hopes of solving a crime! Campers will collect fingerprints, conduct hand writing analysis and more, in this fun educational workshop where the campers work to solve the crime!

Session 2: July 2nd - 6th 9 - 1 pm

(No Camp on the Fourth Of July)

Session 5: July 23rd - 27th 9 - 1 pm

Junior Kids With Canvas

This NEW course is guaranteed fun, giving your camper step by step instructions to create their very own masterpieces which they will bring home daily!

Session 5: July 23rd - 27th 1 - 4 pm

Junior Robotics

This popular course will allow your camper to work on challenges and to gain collaborative skills! Set in our Innovation Lab, campers will play with Lego NXT kits, Ozbots, Kinnex and more to complete challenges while working on their creativity and collaboration skills! Give your camper an experience of a lifetime of building and programming robots, circuits and so much more!

Session 4: July 16th - 20th 9 - 1 pm

Session 7: August 6th - 10th 1 - 4 pm

Let's Get Cooking!

Each lesson will introduce your chef to a variety of diverse foods while they build their self-confidence and creativity in the kitchen. Campers will be challenged to create variations of recipes and they will bring home daily treats! At the end of this class, your chef will have an original cookbook complete with all the recipes from the week, along with a personalized item for your kitchen!

Session 1: June 25th - 29th 1 - 4 pm

Session 4: July 16th - 20th 9 - 1 pm

Mad Scientists

Ever wonder why your hair sticks up when you rub it against a balloon? Or how a magician can suddenly make himself disappear? The answer is always Physics! Let your camper discover the fascinating and practical world of science! This class will focus on different areas of study such as projectiles, forces, energy. At the end of the week, a Physics Olympics will be held in which groups will compete in a variety of challenges!

Session 3: July 9th - 13th 9 - 1 pm

Session 7: August 6th - 10th 9 - 1 pm

Musical Engineering

Does your camper play a musical instrument? Does your camper love singing? Would your camper like to record your own music? Using our Innovation Lab, campers will learn the basics of music production, sound engineering, and software editing. This is an interactive and hands-on course designed to give everyone the opportunity to record and produce music that they bring home on a cd.

Session 1: June 25th - 29th 1 - 4 pm

Session 6: July 30th - August 3rd 9 - 1 pm

Once Upon A Time

This course will encourage to campers to express themselves creatively through free writing exercises, character development, and other various aspects of storytelling. Activities will be geared toward sparking your child's creativity. Your child will leave this course with a copy of their original works!

Session 3: July 9th - 13th 9 - 1 pm

Session 6: July 30th - August 3rd 1 - 4 pm

Video Production 101

Technology has taken over- and through this course, campers will learn different ways to film, edit and enhance their videos! Campers will use our Innovation Lab that includes a green screen and so much more! Campers work with a group to create, film and edit different skits, short movies, music videos and more. A DVD of the productions will be mailed out at the conclusion of this course.

Session 3: July 9th - 13th 9 - 1 pm

Session 5: July 23rd - 27th 1 - 4 pm

Fifth - Eighth Graders

Advanced Music Production

Does your camper play a musical instrument? Does your camper love singing? Would your camper like to record your own music? Using our Innovation Lab, campers will learn the basics of music production, sound engineering, and software editing. This is an interactive and hands-on course designed to give everyone the opportunity to record and produce music that they bring home on a cd.

Session 1: June 25th - 29th 1 - 4 pm

Session 6: July 30th - August 3rd 9 - 1 pm

Cartooning

Campers will learn to use shapes and lines to create their very own cartoon characters under the guidance and assistance of the head instructor. Campers will practice different techniques while learning to liven up their drawings with action and emotion. Let your child's creativity soar as they will be challenged to create original characters of their choice! As a result of this class, campers will receive a version of their originals comic, along with all of their finished creations.

Session 7: August 6th - 10th 9 - 1 pm

Coding and Programming

Is your camper ready for the technology driven future? Do you know how many careers will require technological expertise? In this popular course, campers will be given a head start on these sought-after skills. Campers will program using block coding and will be able to create and design character movements with mini-applications. Campers will also learn to use varied cloud based Google applications which are wonderful tools for future scholastic, and other, endeavors! Finally, all campers will have the opportunity to try their hand at building their own website.

Session 1: June 25th - 29th 9 - 1 pm

Session 4: July 16th - 20th 9 - 1 pm

■ Conveniently located on the beautiful and historic Lauralton Hall campus, your camper will be taught by qualified adults in our air-conditioned facilities with a **1:4 counselor to student ratio**.

■ Because we understand the mornings can be busy, we offer **hot lunch and a snack bar open daily** for your convenience. We also have a lunch bunch option for morning sessions of camp for a minimal fee, where your child receives lunch and snack while they are at camp!

■ Our **teachers are dedicated professionals** who are certified teachers, are working on their teaching degree, or are pursuing a degree in the course of their designation. All of our **counselors are college students** and must undergo extensive training, background checks, in addition to working as a CIT for a minimum of 100 hours prior to their application for enrollment. All of our teachers, counselors, nurses, and CITs are highly motivated, and are excited to provide your child with an awesome experience in camp by showing their love of the content of the session while giving them personalized attention!

■ All of our classes have a minimum enrollment of 10 campers. If this minimum is not met, we will notify you and provide you with alternative classes for you and your student's selection! Each camp also has a maximum enrollment, so don't miss out on our amazing classes and sign up electronically today!

■ We are a completely **NUT FREE** camp and ask for the safety of all our students that you do not send your child to camp with any nut products.

ABOUT OUR CAMPS

Comics and Superheroes

In this NEW course, campers will work to transform themselves into a Superhero, learn how to draw popular superheroes and build a comic out of their original character created! This week long class will give campers the opportunity to express their creativity and challenge their imagination!

Session 2: July 2nd - 6th **1 - 4 pm**
(No Camp on the Fourth Of July)

Crusader's Basketball (5th-8th graders)

This Co-Ed camp will provide your athlete with the knowledge and instruction to become a better player. Working on offensive and defensive skills, such as dribbling, passing and shooting, your athlete will have fun in a safe and supportive environment. Through a variety of activities, drills, mini- games, and scrimmages, your athlete will have fun while being provided individualized instruction.

Session 6: July 30th - August 3rd **9 - 1 pm**

CSI

In this fun-filled, educational workshop, campers are summoned to various staged crime scenes where they will participate in gathering evidence and concluding activities in hopes of solving the crime. Along with fellow investigators, campers will use biology, chemistry, mathematics and deductive reasoning to weigh evidence and apply findings in the quest to find the culprit. Participants will learn how to collect and analyze fingerprints, lip prints and shoe prints, in addition to conducting hair and hand writing analyses. Campers will be challenged to identify mystery powders and solutions, and more to solve the crime!

Session 3: July 9th - 13th **9 - 1 pm**

Session 5: July 23rd - 27th **9 - 1 pm**

Cupcakes Wars

Not only will campers learn some great recipes through this popular course, their creativity will be put to the test to create new and unique treats based on the different daily challenges. Just one of the perks of this class is the variety of cupcakes and frosting concoctions that are brought home daily to share with the family! At the end of the week, each camper will go home with an electronic copy of the top rated recipes!

Session 4: July 16th - 20th **1 - 4 pm**

Session 6: July 30th - August 3rd **1 - 4 pm**

DIY Designs

Campers will be challenged to create a variety of art projects following the simple designs! Campers will design their own t-shirts, decorative pieces and so much more! This camp is guaranteed to satisfy those crafty at heart!

Session 3: July 9th - 13th **1 - 4 pm**

Session 6: July 30th - August 3rd **1 - 4 pm**

Engineering Challenge

In this inquiry based course, campers will explore the fascinating yet practical world of mechanical, electrical and civil engineering. Working in our Innovation Lab, campers will work individually, as well as collaborate with their peers using create solutions to real world problems, build prototypes and working models, and then test them in engineering challenges.

Session 4: July 16th - 20th **1 - 4 pm**

Escape the Room!

In this exciting program, campers will participate in live action team based games where they discover clues, solve puzzles and accomplish tasks in one or more rooms to accomplish a specific goal! This program is guaranteed fun and will help foster your camper's creativity, problem solving, and communication skills! Campers will attempt to "escape" puzzles daily and will even create their own for their families to try to escape at the end of the week!

Session 4: July 16th - 20th **1 - 4 pm**

Session 6: July 30th - August 3rd **9 - 1 pm**

Mixed Media Intermediate Art

In this NEW class, campers will be challenged creatively to complete different projects that emphasize new acquired techniques. Campers will work on advancing their skills while working with a variety of materials to make their own masterpieces. Campers will work with canvas, chalks, pastels, watercolors and more! Projects will be brought home upon their completion.

Session 4: July 16th - 20th **9 - 1 pm**

Fun for All Ages

Amazing Race (2nd - 8th graders)

Inspired by the popular television show, campers will work collaboratively to complete group challenges, focusing on problem solving techniques, communication skills, and leadership skills. In this thrilling course, campers will compete around the beautiful 150 acres of the Lauralton Hall campus.

Session 2*: July 2nd - 6th 1 - 4 pm

Backyard Games

This NEW camp will allow your camper to learn to play some backyard classics. From four square, to kickball, ladder ball and corn hole, this camp is guaranteed fun in the sun!

Session 3: July 9th - 13th 9 - 1 pm

Baking: Breads, Scones and Sweets (2nd - 8th graders)

Does your child enjoy baking? Through this NEW course, campers will make a variety of delicious baked goods; from scones, cakes, breads, cupcakes, cookies and more! Campers will also be exposed to a variety of techniques and different recipes. Your camper will come home daily with delicious treats along with electronic copy of the recipes and a personalized cookbook!

Session 5: July 23rd - 27th 9 - 1 pm

Brain Games (2nd-6th graders)

Playing is a great way for children to learn. If your child enjoys puzzles and word games, this course is a great way to give your student's brain a workout. Campers will work on puzzles and complete challenges while developing skills such as logical reasoning and lateral thinking. Through board games, puzzles, word games, and electronic games, your child is guaranteed to have fun!

Session 1: June 25th - 29th 9 - 1 pm

Session 7: August 6th - 10th 9 - 1 pm

Cooks with Books (K - 3rd graders)

Through popular camp option, your little chef will enjoy a variety of well-known books and participate in correlating cooking activities. Each day will bring a new set of activities and recipes all related to the theme of the day! Campers will not only read these classics, but they will leave class with homemade treats, a handmade chef's hat and a personalized cookbook.

Session 2*: July 2nd - 6th 9 - 1 pm

Session 7: August 6th - 10th 1 - 4 pm

Cross Country (4th-8th graders)

This camp centers on training and workouts that are catered to beginner and younger runners. Runners will spend time learning how to properly warm up and cool down. They will learn a wide variety of drills and routines, in addition to cross-training plans to supplement their running. Campers will learn about injury prevention, general strength and conditioning, in addition to basic training theory. Permission form required to run off campus under the supervision of the head instructor and counselors.

Session 4: July 16th - 20th 9 - 1 pm

Session 7: August 6th - 10th 9 - 1 pm

Dance Fitness (2nd - 8th graders)

In this NEW class, campers will work with Pilates, Yoga, Zumba and more! This camp is guaranteed fun for those who love music and love to move!

Session 5: July 23rd - 27th 1 - 4 pm

Everything Art (K - 3rd graders)

Campers will be provided opportunities to express themselves through clay modeling, paper mache, painting and much more. Projects differ weekly to keep your camper interested and engaged for a full summer of fun!

Session 1: June 25th - 29th 9 - 1 pm

Female Engineers (2nd- 8th graders)

In this NEW inquiry based course, campers will explore the practical world of engineering! This course is for females, run by females, empowering the campers to think creatively and critically about the practical and fascinating world of engineering.

Session 2*: July 2nd - 6th 1 - 4 pm

Fun With Fitness (K-3rd graders)

Designed for the child who loves to play! This course allows campers to learn a variety of new games and activities that will help develop hand-eye coordination, collaborative skills, and so much more! Campers are guaranteed a week of fun playing games!

Session 2*: July 2nd - 6th 1 - 4 pm

Game Show Mania (2nd - 8th graders)

Jeopardy. Family Feud. SharkTank. Beat Shazzam. Minute to Win it. These are just some of the great games campers will play in this Lauralton favorite course. Campers will learn how to collaborate with peers to overcome different obstacles, solve puzzles and play games based on popular TV Shows. Guaranteed FUN!

Session 3: July 9th - 13th 1 - 4 pm

Session 6: July 30th - August 3rd 1 - 4 pm

Girls Club

Back by popular demand, this exciting course allows your camper to embrace her inner girl. Bracelets, headbands and other crafts will showcase her creativity and independence. This empowering camp will provide young ladies the opportunity to express themselves and allow their confidence to grow!

Session 3: July 9th - 13th 1 - 4 pm

Session 7: August 6th - 10th 9 - 1 pm

Intro to Field Hockey (5th grade and up)

This program will introduce the competitive sport of field hockey to your daughter, with the objective of teaching her the fundamental skills of the game, including dribbling, shooting and defending. Your daughter will gain the experience and confidence to try out for this exciting sport! While working in age appropriate groups, your daughter will gain knowledge and skills while working on team building and sportsmanship — through activities, drills and mini-games played on Lauralton Hall's turf field! Students will need to bring their own equipment: stick, mouth guard and protective eye gear.

Session 3: July 9th - 13th 1 - 4 pm

Session 6: July 30th - August 3rd 1 - 4 pm

Intro to Volleyball (4th and up)

Sign up your camper today for the course that allows them to try out a new sport: Volleyball! Campers will be instructed through age appropriate groups on proper techniques through a variety of drills, activities and games! Allow your child the opportunity to gain experience and confidence in this exciting sport!

Session 2*: July 2nd - 6th 9 - 1 pm

Session 5: July 23rd - 27th 9 - 1 pm

Island Survivor! (4th - 8th graders)

In this NEW course, campers will be challenged daily to see if their team can survive after been stranded on a desert island. Campers will be challenged daily to create a society with rules and a way of life. They will face hardships daily to test their survival skills along with their creativity and communication skills. Campers will create a vlog daily to document their successes and failures. Who will survive? Sign up to see if your camper has what it takes!

Session 4: July 16th - 20th 9 - 1 pm

Jewelry (1st - 8th graders)

Your camper will participate in a wide range of exciting projects, from resin, paper & wool felted beads, hair jewelry, wire work and so much more! Your camper will make a variety of original beads and beautiful pieces of jewelry!

Session 5: July 23rd - 27th 1 - 4 pm

Kids With Canvas (4th - 8th graders)

This POPULAR course is guaranteed fun, giving your camper step by step instructions to create their very own masterpieces which they will bring home daily!

Session 2*: July 2nd - 6th 9 - 1 pm

Session 5: July 23rd - 27th 9 - 1 pm

Lauralton Olympics (2nd - 8th graders)

Back by POPULAR demand, your camper won't want to miss out on this exciting course that centers around a competition in a variety of games and challenges! Counselors will play along with the campers who will create a team name and tee shirt. Teams will compete throughout the week in different events! A guaranteed fun time for all those who love games!

Session 5: July 23rd - 27th 1 - 4 pm

Session 7: August 6th - 10th 9 - 1 pm

Mini Crusaders (K - 4th graders)

This Co-Ed camp will provide your little athlete with instruction from our talented coaching staff and former members of the Lauralton Hall Basketball program. Campers will be placed in age appropriate groups to further their basketball skills. Your athlete will be introduced to the fundamental skills of dribbling, passing and shooting through a variety of drills, mini- games, activities and scrimmages.

Session 1: June 25th - 29th 9 - 1 pm

Session 6: July 30th - August 3rd 9 - 1 pm

Mix it Up (K - 8th)

One of our most POPULAR camps is back and better than ever! This program is for the kids who are always playing and are very active. This course will introduce your student to variety of games, sports and activities daily. Children will be divided into age appropriate groups.

Session 1: June 25th - 29th 1 - 4 pm

Session 4: July 16th - 20th 1 - 4 pm

Session 7: August 6th - 10th 1 - 4 pm

Scrapbook Creations! (2nd grade and up)

This program gives your camper a great way to learn the techniques and purpose of creative scrapbooking! Campers will be able to create their own original scrapbook utilizing a variety of materials, techniques and layouts. Campers will use cricuts machines, sizzix, stamps and punches and so much more to create beautiful and unique displays for their photos. Don't delay, register today for this memorable and enjoyable class. Please bring a variety of pictures (20 minimum) of different themes and events you would like to have as a memory and a beautiful piece of art!

Session 2*: July 2nd - 6th 1 - 4 pm

Soccer (K - 4th grade)

Your athlete will advance their skill and confidence through this week long course under the instruction of our talented coaching staff. With the help and the guidance of the Lauralton Hall soccer team, campers will work in age appropriate groups to reinforce their skills through a variety of games, challenges, scrimmages and drills. Your athlete will not only gain the experience in this wonderful and entertaining camp, they will have fun while doing so!

Session 2*: July 2nd - 6th 9 - 1 pm

Session 5: July 23rd - 27th 9 - 1 pm

Trash the Runway (3rd - 8th graders)

In this exciting course, campers will work collaboratively to create a fashion line out of recycled and reusable goods! Challenges will be held daily to help students test their creativity to make an outfit, jewelry or accessory out of the goods provided. The campers will then strut their stuff on the runway for their family on Friday!

Session 4: July 16th - 20th 1 - 4 pm

Ultimate (Frisbee™) (4th - 8th graders)

Campers will be given a basic understanding of the game of Ultimate, ranging from rules to disc handling skills to competitive play. Campers will train through a variety of games and challenges and apply their skills on the playing field in full-size matches. No prior knowledge or experience required.

Session 3: July 9th - 13th 1 - 4 pm

Session 7: August 6th - 10th 1 - 4 pm
