

SPORTS & ENRICHMENT FOR KIDS!

A Summer @ Lauralton PROGRAM

Our co-ed summer enrichment programs allow campers in kindergarten through freshman year of high school the opportunity to foster their interests and talents while stimulating their minds and exercising their bodies.

Customize camp to best meet your child's needs and interests!

Kindergarten – First Grade

Animal Planet

Give your camper the opportunity to explore our world and the animals we share it with! Through activities, crafts, games, and stories, campers will learn about different environments and the animals that inhabit them. Campers will go home with an original informational book on animals along with a variety of crafts.

Session 3: July 8 - 12	9 am - 1 pm
Session 6: July 29 - August 2	1 - 4 pm

Bug's Life

Is your child fascinated with bugs? Give him or her a week to learn more about the creepy crawly creatures that share our environment! Campers will search the Lauralton campus to identify and record their findings. Daily arts and crafts projects will reflect the bugs studied, and allow campers the opportunity to express themselves creatively. Campers also will participate in activities including reading stories and learning songs about different bugs.

Session 3: July 8 - 12	1 - 4 pm
Session 5: July 22 - 26	9 am - 1 pm

Construction Kids!

Designed for the child who loves to build, this course gives campers the opportunity to use their imaginations while working with a variety of materials: cans, cardboard, clay and so much more. From Angry Birds sets to catapults, this camp is guaranteed fun! Campers will work on individual projects and also join a crew of fellow campers to create group masterpieces.

Session 4: July 15 - 19	1 - 4 pm
Session 6: July 29 - August 2	9 am - 1 pm

Junior Paleontologists

In this course, your camper gets to explore the fascinating world of dinosaurs. Campers will participate in a variety of activities and games to learn more about these extinct creatures. Counselors will prepare books and thematic lessons each day to allow campers to express their creativity while learning.

Session 1: June 24 - 28	9 am - 1 pm
-------------------------	-------------

Junior Scientists

Give your camper the opportunity to learn more about science through our interactive and hands-on science camp! Campers will explore buoyancy, static electricity and much more through a variety of activities and challenges. Campers will be learning thematically about the practical world of science, allowing them to stimulate their curiosity and interest.

Session 4: July 16 - 20	9 am - 1 pm
-------------------------	-------------

Under the Sea

The ocean is an exciting place full of wonder. Campers will explore the ocean, its animals and plants through activities including crafts, games and stories. In addition, campers will learn about how to protect the ocean and will bring home an original book along with a variety of crafts.

Session 1: June 24 - 28	1 - 4 pm
Session 7: August 5 - 9	9 am - 1 pm

Second - Fourth Graders Art-tastic!

Back by POPULAR demand, this course will allow campers to develop their art skills as they work on a variety of projects. Campers will learn about techniques and be provided the opportunity to express themselves through chalk, pastels, sculptures, watercolor and more!

Session 6: July 29 - August 2	9 am - 1 pm
-------------------------------	-------------

Clay Creations

This POPULAR course allows campers to get messy and to express themselves! Working with model magic and other forms of clay, campers will be challenged to test their creative abilities to create a variety of projects.

Session 3: July 8 - 12	9 am - 1 pm
------------------------	-------------

Coding for Kids

Campers in this course will get a head start on sought-after coding skills. Campers will program using block coding and will learn to design character movements with mini applications for a week of interactive fun!

Session 5: July 22 - 26	9 am - 1 pm
-------------------------	-------------

Creative Chemistry

In this camp favorite, campers are encouraged to get messy while having fun exploring the world of science. This hands-on course will give campers a practical look into the field of chemistry as they make their own playdough, learn how different materials react to each other, and so much more!

Session 4: July 15 - 19	9 am - 1 pm
-------------------------	-------------

Cupcake Creators

Through this POPULAR course, your little baker will learn a variety of homemade cupcake and frosting recipes. Campers also will learn the importance of measurements and kitchen safety. Your baker will come home with a variety of cupcakes and frosting concoctions daily! At the end of the week, each camper will go home with a copy of the recipes along with a handmade cupcake tower.

Session 1: June 24 - 28	1 - 4 pm
Session 6: July 29 - August 2	9 am - 1 pm

Escape the Room!

In this exciting program, campers will participate in live action, team-based games where they discover clues, solve puzzles and accomplish tasks in one or more rooms to accomplish a specific goal. This program is guaranteed fun and will help foster your camper's creativity, problem-solving abilities, and communication skills. Campers will attempt to "escape" puzzles daily and will even create their own for their families to try to escape at the end of the week!

Session 3: July 8 - 12	1 - 4 pm
Session 5: July 22 - 26	9 am - 1 pm

Hogwarts at Lauralton: First Year

This NEW and exciting camp was designed by some dedicated Potter-Heads. Campers will be sorted into houses, participate in potions class, create new mythical creatures, write for the Daily Prophet, play quidditch, make Butterbeer and so much more! Harry Potter fans will love exploring the magical world of Hogwarts right here at Lauralton (once a boarding school itself!)

Session 6: July 29 - August 2	9 am - 1 pm
Session 7: August 5 - 9	1 - 4 pm

Innovation Station

Through this inquiry-based class, campers will have the opportunity to create solutions and test them in daily engineering challenges in our Innovation Lab! Through individual and group challenges, campers will strengthen their problem-solving skills by building model bridges, coming up with strategies to save pets from burning buildings, and creating marble coasters, just to name a few of the challenging activities of the week. For the camper interested in more than one week of innovation, each session offers different projects and activities

Session 4: July 15 - 19 9 am - 1 pm

Session 7: August 5 - 9 9 am - 1 pm

International Junior Chef

Your mini chef will take a culinary trip around the world learning about a variety of cultures and recipes. Each day, campers will take their homemade foods to share with their families. At the end of the week, campers will receive electronic recipes along with a personalized item for the kitchen. Each session offers different recipes for a summer of fun!

Session 3: July 8 - 12 9 am - 1 pm

Session 7: August 5 - 9 1 - 4 pm

Junior Kids with Canvas

This POPULAR camp is guaranteed fun, giving campers step-by-step instructions to create their very own masterpieces to bring home daily on 8 x 11 canvas. Want to paint for more than one week? Each session offers different projects and activities!

Session 4: July 15 - 19 1 - 4 pm

Session 6: July 29 - August 2 1 - 4 pm

Junior Robotics

Campers love this popular and challenging course! Set in our Innovation Lab, campers will work with Lego NXT kits, Ozbots, Kinnex and more to solve challenges that require creativity and collaborations. Give your camper the opportunity to learn about this exciting field of building and programming robots, circuits and so much more!

Session 4: July 15 - 19 1 - 4 pm

Let's Get Cooking!

Each lesson will introduce your chef to a variety of foods while building skills, self-confidence and creativity in the kitchen. Campers will be challenged to create variations of recipes, and they will bring home daily samples of their creations to share. At the end of this class, your chef will have an original cookbook complete with all the recipes from the week, along with a personalized item for your kitchen!

Session 4: July 15 - 19 1 - 4 pm

Mad Scientists

Ever wonder why your hair sticks up when you rub it against a balloon? Or how a magician can suddenly make himself disappear? The answer is physics! Let your camper discover the fascinating and practical world of science. This class will focus on different areas of study such as projectiles, forces, and energy. At the end of the week, a Physics Olympics will be held in which groups will compete in a variety of challenges!

Session 1: June 24 - 28 9 am - 1 pm

Video Production 101

Technology is literally in our hands - and through this course, campers will learn different ways to film, edit and enhance their videos. Campers will use our Innovation Lab that includes a green screen and so much more! Campers work with a group to create, film and edit skits, short movies, music videos and more. A copy of the productions will be mailed at the conclusion of this course.

Session 3: July 8 - 12 9 am - 1 pm

Session 6: July 29 - August 2 9 am - 1 pm

Fifth – Eighth Graders

Archaeology Adventure

In this NEW and exciting offering, campers will participate in an authentic, scientific field excavation program on the Lauralton Hall campus. This program is geared for those interested in archaeology, history, and natural science. Learn archival research skills, excavation and lab techniques, and work alongside a trained archaeologist/educator at an actual dig site located on the Lauralton campus. Discover what life was like in Milford in 1864!

Session 3: July 8 - 12 9 am - 1 pm

Cartooning

Campers will learn to use shapes and lines to create their very own cartoon characters under the guidance of the head instructor. These budding cartoonists will practice various techniques while learning to bring life to their drawings with action and emotion. Let your child's creativity soar as he or she is challenged to create original characters! Campers will receive their original comic along with all of their finished creations.

Session 7: August 5 - 9 9 am - 1 pm

Coding and Programming

Is your camper interested in technology today and the possibility of a technology career in the future? In this popular course, campers will get a head start on sought-after coding skills. Campers will program using block coding and learn to create and design character movements with mini-applications. Campers will also learn to use varied cloud-based Google applications which are wonderful tools for future scholastic and other endeavors! Campers will even have the opportunity to try building their own website.

Session 1: June 24 - 28 9 am - 1 pm

Session 5: July 22 - 26 1 - 4 pm

Cross Country

This camp centers on training and workouts that are catered to beginner and younger runners. Campers will learn proper warm up and cool down, a wide variety of drills and routines, and cross-training plans to supplement their running. This camp also will cover injury prevention, general strength and conditioning, and basic training theory. Campers need to be able to run a minimum of one mile under fifteen minutes to participate. Permission form is required to run off campus under the supervision of the head instructor and counselors.

Session 4: July 15 - 19 9 am - 1 pm

CSI

In this fun-filled, educational workshop, campers are summoned to various staged crime scenes where they will participate in gathering evidence and concluding activities in attempts to solve the crime. Along with fellow investigators, campers will use biology, chemistry, mathematics and deductive reasoning to weigh evidence and apply findings in the quest to find the culprit. Participants will learn how to collect and analyze prints (finger, lip and shoe) and to conduct hair and handwriting analyses. Campers will be challenged to identify mystery powders, solutions, and more to solve crimes!

Session 6: July 29 - August 2 9 am - 1 pm

Cupcakes Concoctions!

Not only will campers learn time-tested and classic recipes through this popular course; their creativity will be put to the test as they develop new and unique treats based on various daily challenges. Just one of the perks of this class is the variety of cupcakes and frosting concoctions that are brought home daily to share with the family!

Session 3: July 8 - 12 1 - 4 pm

Session 5: July 22 - 26 9 am - 1 pm

Escape the Room!

In this exciting program, campers will participate in live action, team-based games where they discover clues, solve puzzles and accomplish tasks in one or more rooms to accomplish a specific goal. This program is guaranteed fun and will help foster your camper's creativity, problem-solving and communication skills. Campers will attempt to "escape" puzzles daily and will even create their own for their families to try to escape at the end of the week!

Session 4: July 15 - 19 9 am - 1 pm

Session 6: July 29 - August 2 1 - 4 pm

Engineering Challenge

In this inquiry-based course, campers will explore the fascinating yet practical world of mechanical, electrical and civil engineering. Utilizing our Innovation Lab, campers will work individually, as well as collaborate with their peers using circuits, doodle pens, programming apps, and so much more! Campers will create solutions to real world problems, build prototypes and working models, and then test them in engineering challenges.

Session 5: July 22 - 26 9 am - 1 pm

Hogwarts at Lauralton: Second Year

This NEW and exciting camp was designed by some very dedicated PotterHeads! Campers will be sorted into houses, participate in potions class, create new mythical creatures, write for the Daily Prophet, play quidditch, make Butterbeer and so much more! Harry fans will love exploring the magical world of Hogwarts right here at Lauralton (once a boarding school itself!)

Session 5: July 22 - 26 9 am - 1 pm

Session 7: August 5 - 9 9 am - 1 pm

International Cooking

In this course, young chefs will learn about a variety of cuisines from around the world. Campers will learn about different spices and ingredients as well as their origins and significance to various cultures. In addition to new skills and confidence in the kitchen, campers will leave this course with a cookbook full of our recipes and a serving dish that they decorated themselves!

Session 5: July 22 - 26 1 - 4 pm

Mixed Media Intermediate Art

Back by popular demand! Campers will be challenged creatively to complete a variety of projects that emphasize newly acquired techniques. Campers will work on advancing their skills while working with a variety of materials to make their own masterpieces utilizing canvas, chalks, pastels, watercolors and more. Projects will be brought home upon completion.

Session 4: July 15 - 19 9 am - 1 pm

S.T.E.M. G.E.M.S.

In S.T.E.M. G.E.M.S. (Science, Technology, Engineering and Mathematics Generating Excitement through Mechanized Systems) campers will learn to be problem solvers and to use critical thinking skills. Working in our Innovation Lab, and utilizing their imagination, your camper will construct robots using Lego Mindstorms kits and program their creations with the NXT-G programming software. The week will culminate in building a robot to demonstrate in a presentation to parents at the end of the session.

Session 4: July 15 - 19 1 - 4 pm

Session 6: July 29 - August 2 9 am - 1 pm

Video Production 201

This POPULAR course will help campers improve their technological skills. Activities include creating vines, participating in video challenges, making music videos, writing skits and so much! Campers will use our Innovation Lab equipment including a green screen. Participants and will leave with a copy of all their skits and movies from the week!

Session 3: July 8 - 12 1 - 4 pm

Session 6: July 29 - August 2 1 - 4 pm

Fun for All Ages

Amazing Race 2nd - 8th Graders

In this Summer@Lauralton camp favorite inspired by the popular television show, campers will work collaboratively to complete group challenges. As campers attempt to win the race by navigating a thrilling course through Lauralton's 40 acre campus, they will learn problem solving techniques and build communication and leadership skills

Session 4: July 15 - 19 1 - 4 pm

ABOUT OUR CAMPS

- ▼ Conveniently located on the beautiful and historic **Lauralton Hall campus**, your camper will be taught by qualified adults in our air-conditioned facilities with a **1:4 counselor to student ratio**.
- ▼ Each class has a **minimum enrollment of ten campers**. If this minimum is not met, we will notify you and provide alternative selections.
- ▼ Each camp also has a maximum enrollment, so don't miss out on our amazing classes and sign up electronically today!
- ▼ Our **teachers are dedicated professionals** who are certified teachers, are working on their teaching degree, or are pursuing a degree in the course of their designation. All of our counselors are college students who have worked as counselors-in-training (CITs) for a minimum of 100 hours prior to their employment. CITs also have undergone background checks and extensive training. Our teachers, counselors, nurses and CITs are experienced, enthusiastic and dedicated to providing your child with a fun and safe camp experience.
- ▼ We are a **completely NUT FREE camp**. For the safety of all our campers and staff please do not send your child to camp with any nut products.
- ▼ We understand mornings can be busy, so no need to pack lunch -- **we offer hot lunch and a snack bar open daily** for your convenience. We also have a "lunch bunch" option. For a minimal fee, morning- only campers receive lunch and snack while they are at camp.
- ▼ We offer early drop off and late pick up for your convenience.

Babysitting and First Aid

4th Graders and Up

This NEW course will give campers the essential skills to provide basic first aid. Aspiring babysitters also will gain helpful hints and tips to ensure the fun and safety of all of those in their care.

Session 4: July 15 - 19 **1 - 4 pm**

Backyard Games

2nd - 8th Graders

Flashback to the oldies but goodies! Your camper will learn to play some backyard classics. From four square and kickball to ladder ball and corn hole, this camp is guaranteed fun in the sun!

Session 6: July 29 - August 2 **1 - 4 pm**

Baking: Breads, Scones and Sweets

2nd - 8th Graders

Does your child enjoy baking? Through this family favorite course, campers will make a variety of delicious baked goods including scones, cakes, breads, cupcakes, cookies and more. Campers will also get to practice a variety of techniques and different recipes. Your camper will come home daily with delicious treats along with an electronic copy of the recipes!

Session 6: July 29 - August 2 **1 - 4 pm**

Brain Games

2nd - 8th Graders

If your child enjoys puzzles and word games, this course is a great way to give his or her brain a workout. Campers will work on a variety of puzzles and challenges while developing skills such as logical reasoning and lateral thinking. Through board games, puzzles, word games, and electronic games (Tri- onimos, Risk, Sleeping Queens, Stratego and more), your child is guaranteed to have fun.

Session 1: June 24 - 28 **9 am - 1 pm**

Session 5: July 22 - 26 **9 am - 1 pm**

Card Sharks

2nd - 8th Graders

This NEW camp is for kids who enjoy playing cards and want to learn some new games. Featuring Set Back, Golf, Slamwich and more, this camp introduces players to new games along with bringing back the classics. More than just fun and games, this camp reinforces communication skills, collaboration and strategy!

Session 4: July 15 - 19 **9 am - 1 pm**

Session 7: August 5 - 9 **1 - 4 pm**

Cooking 201

4th - 8th Graders

In this NEW cooking class, each lesson will introduce your chef to a variety of foods while building skills, self-confidence and creativity in the kitchen. Campers will be challenged to create variations of recipes, and they will bring home daily samples of their creations to share. At the end of this class, your chef will have an original cookbook complete with all the recipes from the week, along with a personalized item for your kitchen!

Session 1: June 24 - 28 **9 am - 1 pm**

Crusaders Basketball

4th - 8th Graders

This camp will provide your athlete with the knowledge and instruction to become a better player by working on offensive and defensive skills such as dribbling, passing and shooting. Through a variety of activities, drills, mini- games, and scrimmages, your athlete will have fun in a safe and supportive environment while being provided individualized instruction.

Session 1: June 24 - 28 **1 - 4 pm**

Session 5: July 22 - 26 **9 am - 1 pm**

Dance Fitness

2nd - 8th Graders

Campers will get a taste of Pilates, Yoga, Zumba and more. This camp is guaranteed fun for those who love music and love to move! Most of all, this session aims to show campers the importance - and joy - of movement for growing up strong and fit.

Session 3: July 8 - 12 **9 am - 1 pm**

DIY Designs

3rd - 8th Graders

Campers will create a variety of art projects following simple design techniques. Do-it-yourselfers will design their own t-shirts, decorative pieces and so much more! This camp is guaranteed to satisfy those crafty at heart!

Session 3: July 8 - 12 **1 - 4 pm**

Session 5: July 22 - 26 **1 - 4 pm**

Everything Art

K - 3rd Graders

Campers will be provided opportunities to express themselves through clay modeling, paper mache, painting and much more.

Session 1: June 24 - 28 **9 am - 1 pm**

Everything is Awesome!

2nd - 8th Graders

In this NEW program, campers will build everything awesome with LEGOS®! Throughout the week there will be opportunities for campers to work individually on their own designs and as teams to solve building challenges. This camp is guaranteed to be awesome!

Session 3: July 8 - 12 **9 am - 1 pm**

Session 7: August 5 - 9 **1 - 4 pm**

Female Engineers

2nd - 8th Graders

In this inquiry-based course, campers will explore the practical world of engineering! This course is for designed for females and run by females. The goal is to empower campers to envision themselves as engineers and to think creatively and critically about this exciting and fascinating field.

Session 1: June 24 - 28 **1 - 4 pm**

Session 6: July 29 - August 2 **1 - 4 pm**

Fun with Fitness

K - 3rd Graders

Designed for the child who loves to play! This courses allows campers to learn a variety of new games and activities that will help develop hand-eye coordination, collaborative skills, and so much more. Campers are guaranteed a week- of fun playing games!

Session 3: July 8 - 12 **1 - 4 pm**

Session 6: July 29 - August 2 **1 - 4 pm**

Game Show Mania

2nd - 8th Graders

Jeopardy, Family Feud, SharkTank, Beat Shazzam, Minute to Win It. These are just some of the great games campers will play in this summer favorite course. Campers will learn how to collaborate with peers to overcome various obstacles, solve puzzles and play games based on popular TV shows. Guaranteed FUN!

Session 3: July 8 - 2 **1 - 4 pm**

Session 6: July 29 - August 2 **9 am - 1 pm**

Girls Club

2nd - 8th Graders

Back by popular demand, this exciting course allows your camper to embrace her inner girl. Bracelets, headbands and other crafts will showcase her creativity and independence. This empowering camp will provide young ladies the opportunity to express their sense of style and allow their confidence to grow!

Session 5: July 22 - 26 **9 am - 1 pm**

Our program gives parents the flexibility to customize their campers' activities for a fun and safe summer full of learning.

Intro to Field Hockey 5th Graders and Up

This program will introduce the competitive sport of field hockey to your daughter, with the objective of teaching her the fundamental skills of the game including dribbling, shooting and defending. While working in age-appropriate groups, participants develop skills including team-building and sportsmanship through drills, activities and mini-games played on Luralton Hall's turf field. After this camp, she may want to try out for this exciting sport! Students will need to bring their own equipment (stick, mouth guard and protective eye gear).

Session 3: July 8 - 12 1 - 4 pm

Session 6: July 29 - August 2 1 - 4 pm

Intro to Volleyball 5th Graders and Up

Sign up your camper today for the course that allows him or her to try out a new sport: volleyball! Campers will be instructed in age-appropriate groups on proper techniques through a variety of drills, activities and games. Give your child the opportunity to gain experience and confidence in this exciting sport!

Session 3: July 8 - 12 9 am - 1 pm

Island Survivor! 4th - 8th Graders

In this camp favorite, participants will see whether or not their team can survive being stranded on a desert island. Campers will be challenged daily to create a society with rules and a way of life. They will face hardships designed to test their survival smarts along with their creativity and communication skills. Campers will create a vlog daily to document their successes and failures. Who will survive? Sign up to see if your camper has what it takes!

Session 3: July 8 - 12 1 - 4 pm

Jewelry 1st - 8th Graders

Your camper will participate in a wide range of exciting projects using materials including resin, paper, wool felted beads, hair jewelry, wire work and so much more. Your camper will make a variety of original beads and beautiful pieces of jewelry!

Session 4: July 15 - 19 1 - 4 pm

Session 7: August 5 - 9 9 am - 1 pm

Kids with Canvas 4th - 8th Graders

This POPULAR course is guaranteed fun, giving campers step-by-step instructions to create their very own masterpieces to bring home daily!

Session 1: June 24 - 28 1 - 4 pm

Session 5: July 22 - 26 9 am - 1 pm

Luralton Olympics 2nd - 8th Graders

Your camper won't want to miss out on this exciting course! Back by POPULAR demand, this camp centers on a competition in a variety of games and challenges. Counselors will play along with the campers who will create a team name and tee shirt. Teams will compete throughout the week in different events. This camp is a guaranteed fun time for all those who love games!

Session 1: June 24 - 28 9 am - 1 pm

Session 7: August 5 - 9 9 am - 1 pm

Luralton Spirit Squad

K - 8th Graders

Under the guidance and supervision of our head instructor and the Luralton Hall Cheerleaders, your camper will learn about team-building and proper techniques for cheering including basic tumbling. Your camper will have some high-spirited fun and learn new cheers with members of the Luralton Hall Cheerleading team. Camp will conclude with a Friday performance of your child's new skills and confidence!

Session 4: July 15 - 19 9 am - 1 pm

Session 7: August 5 - 9 9 am - 1 pm

Leadership and Public Speaking

4th - 8th Graders

Campers will collaborate with peers to compete in a variety of challenges to build their listening and cooperation skills. Designed to be fun, this camp will provide opportunities to be an effective team member and confident communicator. For example, campers will make sales pitches on products they design and create a commercial to sell an "unpopular" good. This session also gives campers the opportunity to read and analyze famous public speeches, taking inspiration from the greats while being challenged to create their own speeches on topics of their choice.

Session 5: July 22 - 26 1 - 4 pm

Mini Crusaders K - 3rd Graders

This co-ed camp will provide your little athlete with instruction from our talented coaching staff. Campers will be placed in age appropriate-groups to build basketball skills. Your athlete will be introduced to the fundamental skills of dribbling, passing and shooting through a variety of drills, mini- games, activities and scrimmages.

Session 4: July 15 - 19 9 am - 1 pm

Session 6: July 29 - August 2 9 am - 1 pm

Mix it Up K - 8th Graders

One of our most POPULAR camps is back and better than ever! Designed for kids who are full of energy, this course will introduce your student to a variety of games, sports and activities daily. Children will be divided into age-appropriate groups.

Session 1: June 25 - 29 1 - 4 pm

Session 5: July 22 - 26 1 - 4 pm

Session 7: August 5 - 9 1 - 4 pm

Musical Engineering 2nd - 8th Graders

Does your camper play a musical instrument? Love singing? Want to record his or her own music? In this course using our Innovation Lab equipment, campers will learn the basics of music production, sound engineering, and software editing. This is an interactive and hands-on course designed to give everyone the opportunity to record and produce music that they bring home on a CD.

Session 1: June 24 - 28 1 - 4 pm

Session 6: July 29 - August 2 9 am - 1 pm

Photography 101 4th - 8th Graders

This course will teach campers how to take the perfect picture using phones and digital cameras. Using tools to manipulate their images, campers will learn how to edit photos guaranteed to get "likes." Campers should bring their own cameras and cell phones daily for use. Permission slip is required for this course as campers will walk off campus daily under the supervision of their counselors to photograph a variety of objects and subjects.

Session 1: June 24 - 28 9 am - 1 pm

Scrapbook Creations! 2nd - 8th graders

This program gives your camper a great opportunity to learn the techniques and purpose of creative scrapbooking. Campers will be able to create their own original scrapbook through utilizing a variety of materials, techniques and layouts. For example, campers will use cricuts machines, sizzix, stamps and punches and so much more to create beautiful and unique displays for their photos. Register today for this memorable class. Please bring a variety of pictures (20 minimum) of different themes and events you would like to have as a memory and a beautiful piece of art!

Session 5: July 22 - 26 1 - 4 pm

Session 7: August 5 - 9 1 - 4 pm

Soccer Kindergarten and Up

Your athlete will advance his or her skill and confidence through this course under the instruction of our talented coaching staff. With the help and the guidance of the Luralton Hall soccer team, campers will work in age-appropriate groups to reinforce their skills through a variety of games, challenges, scrimmages and drills. Your athlete will gain experience y and have fun! The camp will organize players based on age and skill level.

Session 3: July 8 - 12 9 am - 1 pm

Session 5: July 22 - 26 9 am - 1 pm

Soup to Dessert! Meal Planning

2nd - 8th Graders

Campers love this course in which they plan and cook complete meals each day to bring home and share. You'll be amazed after a week at their knowledge and confidence in the kitchen. Campers will also come home with an electronic copy of recipes and meal plans along with a personalized item for the kitchen.

Session 4: July 15 - 19 9 am - 1 pm

Session 7: August 5 - 9 9 am - 1 pm

Storytellers: Once Upon a Time

2nd - 8th Graders

In this NEW course campers will be encouraged to express themselves creatively through free writing exercises, character development, and other aspects of storytelling. Activities will be geared toward sparking your child's creativity. Young authors will leave this course with a published copy of their original works!

Session 3: July 8 - 12 9 am - 1 pm

Session 6: July 29 - August 2 1 - 4 pm

Television and Print Journalism

4th - 8th Graders

In this NEW and EXCITING course, your camper will become engaged in the news writing process. Campers will learn some of the basic techniques involved with reporting a story and work throughout the week to create their own newspaper and recorded news to share with you!

Session 4: July 15 - 19 9 am - 1 pm

Ultimate (Frisbee®) 4th - 8th Graders

Campers will learn a basic understanding of the game of Ultimate, ranging from rules to disc handling skills to competitive play. Then they will train through a variety of games and challenges and apply their skills on the playing field in full-size matches. No prior knowledge or experience required.

Session 4: July 15 - 19 1 - 4 pm

Ultimate Fun in the Sun

Just because the Fourth of July falls on a Thursday this year doesn't mean we are going to let it stop on our fun! Camp will be open Monday-Wednesday for Session 2 in a NEW and IMPROVED format for the shortened week. Sign your camper up for three half days or three full days! Campers will have their choice of a wide range of activities from cooking lessons, kick ball games, art activities, science experiments, escape rooms and more! This camp will provide campers the opportunity to try out what they can do all summer long at Luralton!

Session 2: July 1 - 3 Half Day 9 am - 1 pm

No camp on Thursday or Friday

Session 2: July 1 - 3 Half Day 1 - 4 pm
